Get your picture taken and start networking with alumni

Did you know that networking is one of the most important aspects of finding a job as a graduate?

To help you take the first step towards networking, FEB Career Services has a wide range of workshops, webinars and events that will help you gain valuable professional skills, such as networking.

One of the ways to start networking is by getting in touch with a FEB alumnus, who can help you explore, define, and pursue your career interests. But how to get in touch? Sign up to the FEB Alumni Network platform and start connecting.

Up until now, you can find more than 4.000 alumni on the platform. When building your profile, don't forget to upload a professional profile picture.

Make use of the opportunity to get your professional photo taken here at the EBF conference. Visit the photography stand during the morning and lunch break, which is powered by FEB Career Services and the FEB Alumni Network.

Go to www.febalumninetwork.nl and get started. For more information about the labour market and career preparation check out www.rug.nl/sp/careerfeb.
